- (4.0) The following obligations are conditions for this Agreement and any breach thereof shall be deemed a fundamental breach, which shall determine this Agreement immediately, and the rights and liabilities of the parties shall be determined:
 - 4.0.1 Failure on the part of the customer or the Supplier to observe the obligation under this Agreement not requiring notice to be served and in the case of obligations requiring notice to be served, failure to comply with the terms of any notice;

No assumptions/or projections of future expenditures/Claims, relating to the supply of this item/s shall be used by the Supplier as a basis for price variations, rather actual and documentary supported evidence shall be the basis for any amendments or variations to the prices

- (7.0) Proposal for any price amendments or variation/s if any, shall be communicated in writing to the Customer at least three (3) months in advance before the actual date when such variations are intended to be effected, failure to which no such price variation/s shall be effected or be considered a subject of negotiation by the Customer. Such communication shall both be through electronic media (emails) and in hard copy (ies).
- (8.0) Any amendment(s)/variation(s) of price(s) shall in no way affect the quality of the supplied items, whereof such items shall maintain their quality based on the procuring entity's appraisals and ratings. Agreement(s) by both parties to the price amendment(s)/variation(s) shall be a subject of 'settling' or otherwise within one (1) month following a formal communication by either party; and subsequent negotiation meetings, in which case termination processes shall commence if NO agreement is made.
- (9.0) That the Supplier will only undertake responsibility to supply and deliver the named items on an understanding that genuine items, as specified by the customer shall be supplied and delivered as herein stated and shall be purchased by the customer at the stated prices; and there shall be a guarantee of the duration as specified by the customer, following the date of the supply and delivery.
- (10.0) That the Supplier will not be responsible for replacement of the items to the said cases of negligence or willful damage; where any of these can be established beyond any reasonable doubt and consented to by the parties to this Agreement.
- (11.0) Both parties shall be released from their respective obligations in the event of national emergency, war, prohibitive Government regulations or any other cause beyond the reasonable control of the parties or either of those that render the performance of this Agreement impossible, whereupon money under this Agreement shall be paid immediately in proportion to the items delivered or otherwise as it may be agreed upon by the parties to this Agreement.
